Brief Report

Department of Botany organized a workshop on “Preparation of Ecofriendly Ganesha idol” on 8th September 2021. The purpose of the program was to aware students about POP hazardous effect on the environment and environment conservation through cultural practices along with the development of pottery skills in students. In Maharashtra, Ganesh Chaturthi Festival is celebrated by worshiping Lord Ganesha Idol. In due course of time to make these idols cost-effective and more impressive, POP is used to make this idol. POP is hazardous to the environment, especially to the water ecosystem. In this workshop Resource person, Ms. Sarika Naik, (Fine Arts teacher, Universal Highschool, Aurangabad), demonstrated the preparation of An Ecofriendly Ganesha Idol by using Shadu clay and organic material, with the help of the online platform through Google Link.

Dr. Smita P. Gudadhe head of the Botany Department, Welcome and addressed the guest. Ms. Manasi Joshi faculty member of the Botany Department moderated the Program. Mr. Surendra Sinkar faculty member of the Department of Botany expressed a vote of thanks. Dr. Shailesh Bansod encouraged students to participate in the program. Overall, this program encourages a student to celebrate the Ganesh festival in an Eco-friendly manner as well as it also helps students to develop fine art pottery skills in them.
