DEPARTMENT OF LIBRARY

ABOUT DEPARTMENT:

The Central Library of the college was established in 1986 with the establishment of the college. A Library is a heart of an educational Institution. Good library is a key to the growth of an educational institution. Today's globalization era libraries are regarded as a knowledge resource center. Library plays a vital role in the search of knowledge. Our college library aims to support the teaching learning activity in the college and also provide facility to the students for knowledge updating and to ensure the optimum utilization of the available resources.

AIMS & OBJECTIVES:

- To support teaching & learning process
- To provide better and timely access to the resources available in the library
- To make use of every document purchased
- To make available reading material and others resources as per the requirement of the user.
- It informs the teacher with latest up-dates in their respective subject area
- To satisfy user need, to optimum level.

ROLE & FUNCTIONS:

The library is a service institution. A library is a collection of printed and electronic study materials arranged or organized for the purpose of study and research or general reading or both. It is the responsibility of the library to collect, preserve, organize and disseminate all kinds of reading materials for the purpose of profound use by the readers of an educational institution to which it is concerned. In the words of Dr. S. R. Ranganathan, "Libraries are not more store houses, they are rich springs from which knowledge flows out to irrigate field of education and culture." Effective use of the library is always a necessary complement to the functions of higher educational institutions. Education System should be integration and co-ordination between the classroom and the library, which brings out the fruitful result in building up the overall development of the personality of the student.

FIVE LAWS:

1. Books are for Use
2. Every reader his/her book
3. Every book its reader
4. Save the time of the reader
5. The library is a growing organism Dr. S. R. Ranganathan
