Women cell Activity Report

Women Empowerment and Gender Equality are the most important requirements for the up liftment and progress of our nation. In the effort to make Arvindbabu Deshmukh Mahavidyalaya a strong kernel of gender sensitization in a rural Area. The College has established a Women Cell in the college campus for the women faculty, staff, and girl students to enhance understanding of issues related to women and to make the college campus a safe place for them. The Women cell members works with an aim to create a gender sensitized community within campus as well as in the society. It has been organizing varied academic, technical, medical, cultural and social events for the upliftment of women and spread the real importance of gender equality, importance of women Empowerment in the society, especially in rural area through College students.

Aim:- To create awareness of the women's Right and to empower women

Objectives:

- Living in a patriarchal society with deep rooted and socio-cultural value of male superiority, the objective of the Cell is to help build an egalitarian society.
- To aware women about their Right and duties enhance the self – esteem and self-confidence of women
- To stress upon the development of women in every sphere.
- To organize events and activities for women empowerment.

- To aware women about financial independency, and support small scale women entrepreneurs of rural area.
- To create an environment that will help women realize their full potential and give their best.

Vision:

- Moulding and enlightening the young minds and pave their way to grow into balanced and better human beings.

Mission:

- To encourage female students to be self-reliant and economically independent.
- To instil positive self-esteem and confidence in the female students so that they can take the right decision in and for-their lives.
- Spreading awareness among the students about the social, legal and constitutional rights of women in order to prevent the exploitation based on gender.
- Making females cognizant about different kinds of violence: sexual, physical and mental and to further equip them with the knowledge and strength to fight against them.
- Creating awareness about the need of gender equality.
- Eliminating deep rooted beliefs of gender bias and discrimination in the rural area

Brief Report on Ecofriendly Rakhi making competition.

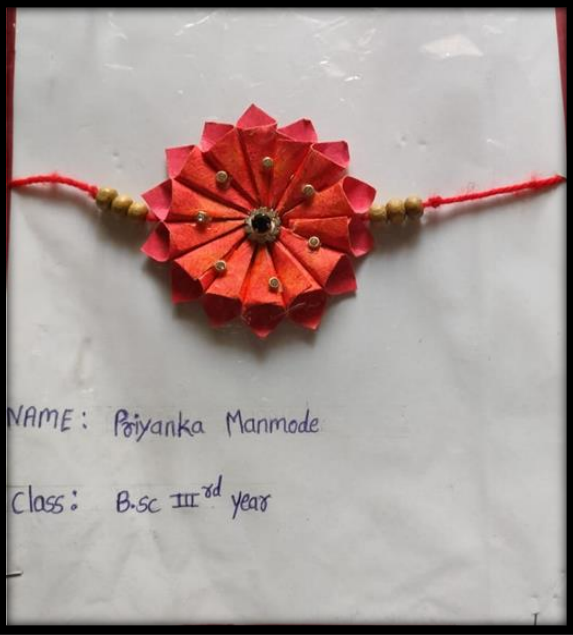

Department of Botany in collaboration with Women cell organized the “Ecofriendly Rakhi making competition on 13 August 2022 . Rakhi is an auspicious festival in India , In this festival girls used to tie a Rakhi to their Brothers, earlier these rakhi were madeup of Silk but now a days many plastic and sponges and environmentally hazardous materials are used to make decorative rakhi. The purpose of the competition was to encourage students to use eco-friendly articles for rakhi making, and to develop their creative skills in making decorative Rakhi with ecofriendly material.

This competition is the regular event of women cell and Botany Department of college and for this year 2022 it was coincide with 75th Independence Day “The Azadi ka Amrit Mahotsav”,at 13th of August All students were gathered for first flaghosting and then they present their ecofriendly Rakhi to all .Principal of college Dr. Prakash pawar Sir visited the competition and boost their creativity by his inspirational talk In this competition, students were asked to prepare ecofriendly Rakhi amd submit and present it infront of Judges, then among 19 Participants there were 3 winners 1st 2nd and 3rd were declared, each winner got the winning medal . Students submitted decorated Rakhi with creative ideas such as using leaves, flowers, grains,cotton, etc. Miss Prianka Manmode (B.Sc. IIIst year student) secured Ist rank, Miss. Mayuri Banait (B.Sc. IIIrd year) got 2nd rank, and Miss. Diksha Katole (B.A. IInd year) student secured 3rd rank in this competition. Winners get awarded in Annual Gathering.

Principal Dr. Prakash Pawar sir and Dr. Smita Gudadhe, head of the department of Botany department and Ms. Manasi A. Joshi convener of the Women cell and faculty member of the department of Botany. Dr. Shalesh Bansod and Mr. Surendra Sinkar faculty members of the Department of Botany made a final judgment on the competition. Students of all faculties participated in this competition. Overall, this competition helps the student to improve their creative skills and awareness about environment, students also learn to create best from waste .

Brief Report on 125th Birth Anniversary Celebration of Dr. E.K. Janki Ammal.

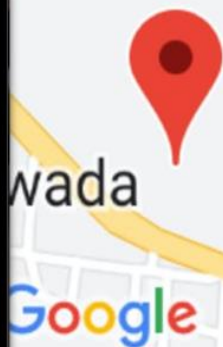

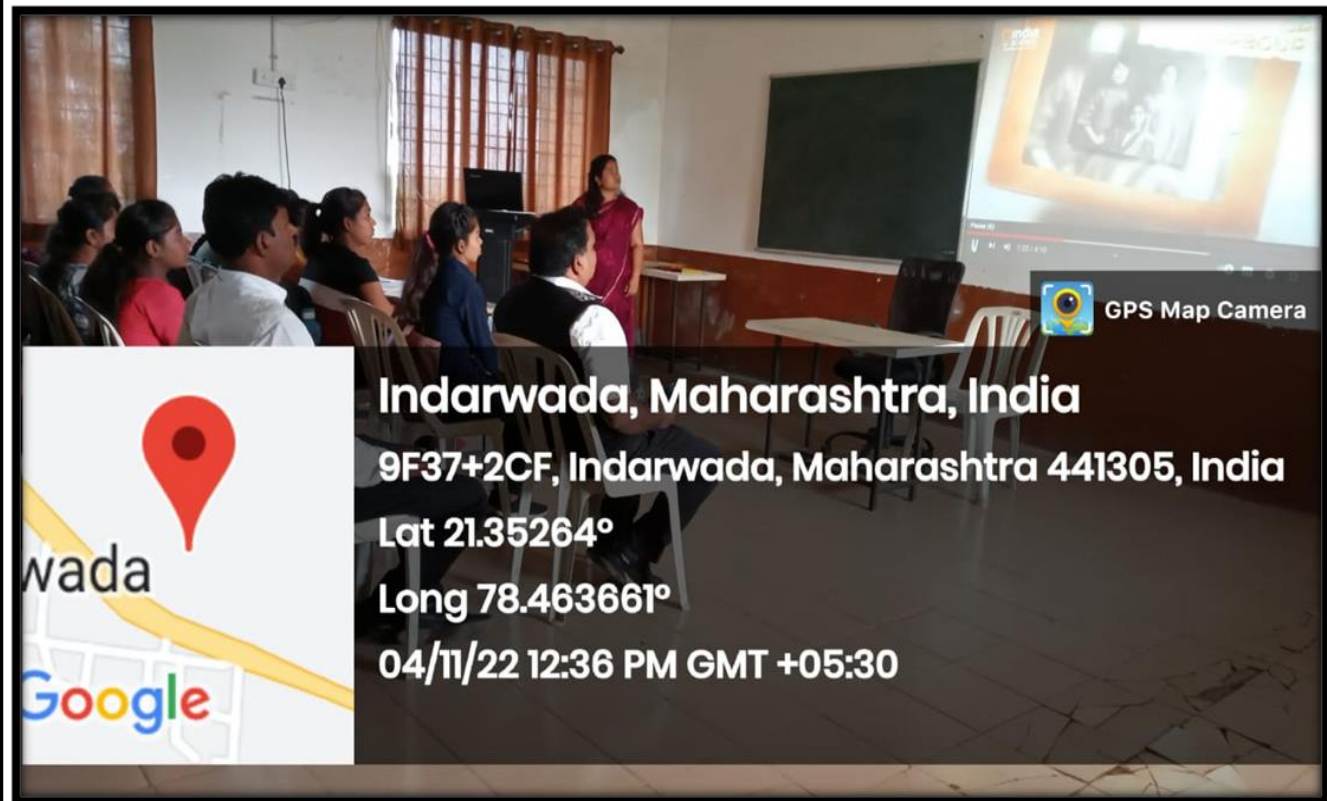

Department of Botany in collaboration with Women cell Celebrates 125th Birth Anniversary of Dr.E.K. Janki Ammal the first Indian Lady Botanist. Edavalath Kakkat Janaki Ammal (4 November 1897 – 7 February 1984) was an Indian botanist who worked on plant breeding, cytogenetics and phytogeography. Her most notable work involved studies on sugarcane and the eggplant (brinjal). She also worked on the cytogenetics of a range of plants and co-authored the Chromosome Atlas of Cultivated Plants (1945) with C.D. Darlington. She took an interest in ethnobotany and plants of medicinal and economic value from the rain forests of Kerala, India. She was awarded Padma Shri by the then prime minister of India in 1977.

The Department of Botany and Women cell Celebrates 125th Birth Anniversary of Janki Ammal by showing Documentary Film on Life of Dr. E.K. Jamnki Ammal .The purpose of this activity was to aware students about the immense contribution of Indian women scientist in the field of science specially botany . Students like to watch documentary film and they also collect more information on her contribution and present and submit it in the form of essay. This activity inspired students and make them aware about Contribution of Indian Scientist in the world of science.

Dr. Smita Gudadhe, head of the Botany department Chair the session and Ms. Manasi A. Joshi convener of the Women cell Compare the session and present Documentary film .faculty . Dr. Shailesh Bansod and Mr. Surendra Sinkar faculty members of the Department of Botany took efforts to bring this event successful. The collection of Essays on Dr. Janki Ammal was itself a receipt of successful event.

Brief Report on Girl Child Education Awareness Rally on the occasion of International Womens Day

Every year 8th of March is celebrated as International Women's Day, it is celebrated to glorify women right and empowerment to understand this ,Women cell of Arvinbabu Deshmukh Mahavidyalaya, Organized Girls child Education Awareness Rally on our Dattak village Inderwada.

Education Rally at Inderwada village has a special emphasis on women's education .In this rally students aware villagers about girls Education and overall need of education for better survival. Some of the students visited their home and ask them about the total number of women in the family, their level of education primary/ secondary or higher education, what do they do, whether they want to carry forward their education or not, etc. This oral education survey concludes some findings that some of them are unable to continue their higher education because of some economic crisis but now they want to continue women cell executive members along with students aware them of policies of higher education, part-time education, and Mukta Vidyapeeth. Students share their thoughts on education with villagers to motivate them for higher studies

This rally was organized by women cell convener Miss. Manasi Joshi under the guidance of Principal Dr. Prakash Pawar sir. All executive women cell members Dr. Sadhana Jichkar, Dr. Rita Dambhale, Dr. Smita Gudadhe ,Dr. Megha Raghuvanshi, Dr. Anjali Gharpure took special effort to make event succesful . Along with women cell members other faculty members of college also took active participation in this rally, students from Arts,Commerce,And science participated in this rally .Student not only learn the importance of right for education by this rally but they also understand the need of spreading awareness about girl child education in rural area.
