**Brief Report**

The department of botany has organized a study tour for the B.Sc. final year students at Universal biotech Pvt.Ltd. M.I.D.C, Kalmeshwar , IRIS Farm Sawangi, Ta-Kalmeshwar , Dist. Nagpur on dated 28<sup>th</sup> April 2023 as a part of the their curriculum activities. The main objective of the study tour was to develop an understanding of various aspects of the subject and its field and industrial application. However another motto was to encourage student's interaction with the eminent industrialist of the region and listening their success story so as to build some sort of confidence about applicability of subject among students. The tour was organized under the supervision of faculty members of Botany Department.

First of all students visited Universal Biotech Pvt.Ltd. at M.I.D.C. area Kalmeshwar, Official staff of the Universal Biotech briefed students about the various running activities like soil analysis, water analysis with the introduction of different instruments like spectrophotometer, flame photometer, AAS , distillation unit and orbital shaker etc. used in analysis for micronutrients. Students were curious to know different aspects on analytical part of soil and water and also they interact with the official staff and clarified their doubts. After visiting Universal Biotech, all the students and faculty members were moved to IRIS Farm owned by Mr.Sunil Konde. There all students and faculty members of the college welcomed by the official staff of the farm. IRIS farm is located on the

Kalmeshwar –Nagpur by pass in the vicinity of Sawangi village near Kalmeshwar and having total area of about 15 Acres known for organic farming and centre for DAESI (Diploma in Agricultural Extension Services for Input Dealer).

Students were provided with the basic information on working with the different activities in the field with special reference to organic farming. Students visited the Jivamrut unit, medicinal plant cultivation field, Automated irrigation system unit, Mushroom cultivation unit, Nursery, Vermicompost unit and vegetables and orchards growing field and gathered information with the help of escorting staff of the farm. There students and faculty members were called for discussion and interaction with Mr. Sunil Konde owner of Farm and recipient of various prestigious awards by the Govt. of Maharashtra to know interesting things about organic farming and his success story. All the students were satisfied with the botanical excursion and study tour organized by the Botany Department. Dr.Smita Gudadhe Head of the Botany Department, Dr.Shailesh R.Bansod , Miss Mansi Joshi were present and guided students during the study tour.

# भारसिंगीच्या विद्यार्थ्यांची अॅग्रो फार्मला शैक्षणिक भेट

देवग्राम ■ अरविंदबाबू देशमुख महाविद्यालय, भारसिंगी येथील वनस्पतीशास्त्र विभागाच्या वतीने युनिव्हर्सल बायोटेक व आयरीस अॅग्रो फार्म प्रशिक्षण केंद्र सावंगी, ता. कळमेश्वर येथे नुकतीच एक दिवसीय शैक्षणिक भेट आयोजित

केली होती. ही शैक्षणिक भेट आयोजित करण्याचा मागील हेतू म्हणजे विद्यार्थ्यांपर्यंत औषधी वनस्पतीचे महत्व, सेंद्रिय शेती तसेच ओळंबी प्रक्रिया व त्याचे संगोपन कसे करावे याबाबत माहिती मिळणे हा होता.

या प्रशिक्षण केंद्राचे प्रमुख डॉ. सुनील कोंडे यांनी विद्यार्थ्यांना औषधी वनस्पती, रोप वाटीका, जैविक खत उत्पादन, गांडूळ खत निर्मिती व विक्री, भूमी परीक्षण प्रक्रिया, ओळंबी उत्पादन व विक्री तसेच सेंद्रिय शेती आदी विषयांवर मार्गदर्शन केले. ही शैक्षणिक सहल वनस्पतीशास्त्र विभाग प्रमुख प्रा. डॉ. स्मिता गुडधे तसेच वनस्पतीशास्त्र विभागातील प्राध्यापक प्रा. डॉ. शैलेश बनसोड, प्रा. मानसी जोशी, प्रा. सुरेंद्र सिनकर तसेच समन्वयक प्रा. डॉ. श्रीकांत ठाकरे, प्राणीशास्त्र विभाग प्रमुख प्रा. डॉ. नितीन राजत व इतर प्राध्यापक मंडळी यांच्या उपस्थित पार पाडण्यात आली. या शैक्षणिक सहलीला विद्यार्थ्यांचा उत्स्फूर्त प्रतिसाद मिळाला. ### **Brief Report**

Department of chemistry conducted Industrial Study Tour for the students on dated 28<sup>th</sup> April 2023. Universal Biotech Laboratory, MIDC Kalmeshwar was selected for Industrial Study Tour which is 40 km away from our college. The purpose of Industrial Study Tour was awareness for the students about practical knowledge of the subject and working of testing laboratories. The students were visited to Universal Biotech Laboratory Kalmeshwar, Dist- Nagpur. The study tour was started at morning 8:30 am and concluded at 4:30 pm. Total around 38 students and 6 staff members including laboratory assistant were participated for Laboratory visit at MIDC, Kalmeshwar.

We reached the Universal Biotech Laboratory, Kalmeshwar at 10:00 am and meet with officials of the Laboratory with permission letter for visit. They gave us primarily introduction about Laboratory and Various testing of materials which are carried out in the Laboratory after we meet with authorities

of separate Laboratory sections. Students with faculty members were visited to various testing units and gathered information about testing of various materials.

The supervisors of various units were explained all the basic information about testing plant and analytical instruments. All were visited to research and development section of Universal Biotech Laboratory and also discussed about the testing facilities, various instruments like spectrophotometer, flame photometer, pH meter and other apparatus etc. with also opportunities for fresher students about training period and technical areas of testing. Officials gave demo of soil testing technique and they taught to the students about testing of various parameters of soils on various instruments with procedure.

The Industrial study tour was very informative and knowledgeable for students. All the staff members of chemistry department Dr. Shrikant Thakare, Dr. Megha Raghuvanshi, Dr. Avinash Ingole, Mr. Sampat Singda, Dr. Ram Dongre worked hard for the completion of Universal Biotech Laboratory study tour. The Universal Biotech Laboratory visit was over with the attendance of the students.

The main objective of the study tour was to develop an understanding of various aspects of the subject and its field and application.<br>The aim of the study tour to study the beneficial invertebrates under the guidance of Mr. Sunil Khonde (Head of the Centre). He properly guides the students regarding the importance of plants as well as animals to maintain environment how they help to us for balancing the ecosystem. He also focus on the importance of beneficial insect which involve in the process of pollination. |   |

After Iris Agro Farm, students visited Universal Biotech Training Centre, as an Industrial visit at 1.30 p.m. However utilization of the plants being the most interesting part, students were advised to notice all the information and keen observation on the demonstrations. Industry official allowed students to visit Soil testing centre, where the working staff demonstrated students about the process of soil testing with different parameters along with the instruments to be employed for the process.

### **Brief Report:**

The Department of Physics along with the Department of Mathematics arranged VISIT for the students of second semester and fourth semester on 02<sup>th</sup> May 20223 from 11.00 am onwards. The place was Industrial Training Institute (ITI), Centre of Excellence (Fabricated Sector), Government of India, situated nearer to Katol. Some interested students took part in this visit. The aim of the visit is to relate the basic concepts of physics and mathematics used in industry related education.

The different trades were seen in this visit. The students were visited in the Theory Building and Workshop. The theory of our subjects we taught in our class and how it is used in various trades was explained by us and FTT of various trades while visiting their workshop. Amongst them, electrical, fitter, welding and fabrication, motor mechanics etc. were seen by our students.

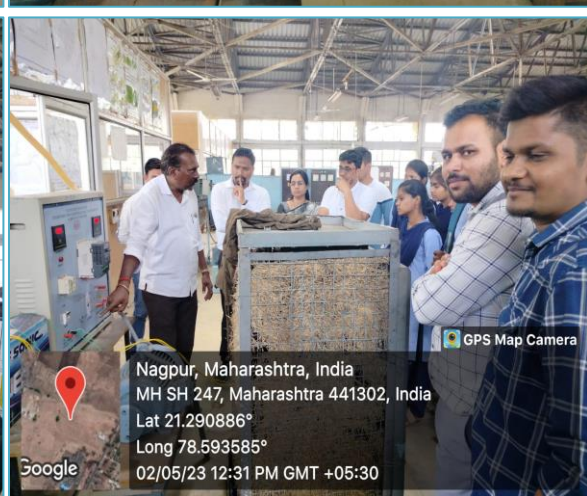

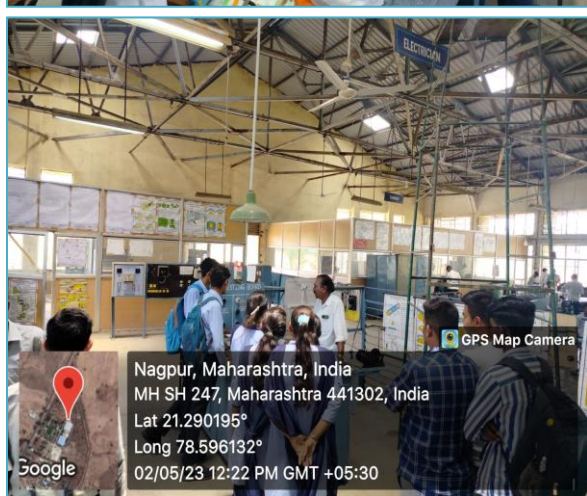

This visit benefitted the students to understand the important role of practical's, soft-skills, the career-oriented approach, and many ways. This visit was knowledgeable due to the interactive role of the faculties of Government ITI, the respected principal madam, and interactive students of ITI.

The following outcomes were I found in this visit:

### **Outcomes:**

1. This visit promoted their self-employment ability.
2. Students generate awareness about the importance of project work in entrepreneurial development.
3. The students understand how basic knowledge along with practical experiments makes our skill enriched.

## **Brief Report**

Title: Study Tour Report: Sameer Cotton Industry Pvt. Ltd., Ghubadmet, Tah Katol, Dist. Nagpur

Organized By: Department of Economics, Arvinbapu Deshmukh Mahavidyalaya Bharsingi, Dist. Nagpur

Date of Visit: [22/11/2022]

### **Introduction:**

The Department of Economics at Arvinbapu Deshmukh Mahavidyalaya Bharsingi organized a study tour to Sameer Cotton Industry Pvt. Ltd., located in Ghubadmet, Tah Katol, Dist. Nagpur. The purpose of this visit was to provide students with a practical understanding of the cotton industry and to observe the economic aspects of the cotton production process.

### **Objective of the Study Tour:**

The study tour aimed to achieve the following objectives:

To understand the cotton industry's value chain and the role of different stakeholders in the process.

To analyze the economic aspects of cotton production, including the costs and returns associated with the business.

To gain insights into the challenges faced by the industry and potential solutions for sustainable growth.

### **Visit Highlights:**

During the visit, the students were given a comprehensive tour of the facility, highlighting the various stages of cotton production, including the following:

**Cotton procurement:** The students observed the methods of procuring raw cotton from local farmers, emphasizing the importance of fair pricing and sustainable farming practices.

**Ginning and Spinning:** The tour included a demonstration of the ginning and spinning processes, where the cotton fibers are separated from the seeds and spun into yarns.

**Weaving and Finishing:** The students witnessed the weaving process, where the yarns are converted into fabrics, followed by the finishing process, where the fabric undergoes treatments such as dyeing and printing.

**Quality control and packaging:** The students observed the stringent quality control measures in place and the packaging process, ensuring that the final product meets industry standards.

During the tour, students had the opportunity to interact with the management and workers at the facility, gaining valuable insights into the operational and economic aspects of the business.

### **Brief Report of Activity:**

A study tour was organized by the Department of Political Science on Tuesday, 22<sup>nd</sup> November 2022. The said study tour Khapari Kene (Adarsh Village) Tah. Narkhed Distt. Nagpur, Students visited Gram Panchayat organized at Khapari Kene village has received the Maharashtra government's ideal village award in the year 2018-19 and the students learned that many village development works have been done in this village through Gram Panchayat.

The students first of all visited the Gram Panchayat and inspected the Gram Panchayat office. Independent office of Sarpanch, Gram sevak, meeting hall, inspected the beautification of gram panchayat premises, then inspecting the village Zilla Parishad school, Anganwadi, library, village roads, Treeplantation, 16 cctv cameras have been installed in different parts of the village. Information about the beauty of the village was learned.

Gram Panchayat Sarpanch Interview with Shri. Manish Kane How did you collect financial funds while carrying out village development works in your village? Did your village get government funds? Does Antyodaya Mission, Gharkul Awas Yojana, village development works get public participation? Many questions were asked by the students, the Sarpanch gave satisfactory answers to these questions. He also said that public participation is important while implementing village development works. The students interacted with Gram sevaks, members of gram panchayat, employees, villagers and gave good

wishes to the villagers that the graph of the progress of the village

will increase in the same way. On the occasion of the study tour, the principal of the college Dr. Prakash Pawar, Head of Department of Political Science Prof. Rajendra Ghorpade, Dr. Sadhana Jichkar, Dr. Dadarao Upase, Dr. Rita Walke, Prof. Vijay Rehangdale, Dr. Bhavik Maniyar,

**Conclusion:** 50 students participated in this study tour and from this the students realized that such kind of village development works can be implemented in their village through Gram Panchayat and like Khapari Kane, their village can also create an ideal and took this message to their village.
