Brief Report

Department of Botany organized a World Environment Day Quiz-2022, on 7th June 2022. The motive of the quiz was to aware students about the need for a world environment day celebration as well as to give information on the theme of 2022 environment day. and aware students about pollution, pollution indicator.

The quiz was open to all faculty students of B.Sc., B A, B.Com. The quiz contained 20 questions, each for 2 marks. The questionnaire includes multiple choice questions based on the history of World environment day and, themes of the year i.e “Only one Earth”, Pollution indicator, and Environment Protection Act, etc. Students enjoyed the quiz and also got information about world environment day.

Ms. Manasi A. Joshi faculty member of the department of Botany designed and conduct the quiz. Dr. Smita P. Gudadhe head of the Botany Department, Dr. Shalesh Bansod and Mr. Surendra Sinkar faculty members of the Department of Botany encouraged students to take part in the quiz. Overall, the quiz helped students to learn in fun way.

Topic: AIDS AWARENESS AND PREVENTION
Time: Dec. 1, 2022 12:00 PM India

Brief Report

World Aids Day observed annually on December 1st, is dedicated to raising awareness to the Aids pandemic caused by the spread of HIV infection. This year, the theme is "**Ending inequality and eradicating HIV/AIDS**", The Zoology department of Arvindbabu Deshmukh Mahavidyalaya, Bharsingi observed this event by involving young students in the awareness campaign. An online quiz was organized on the theme ""**Ending inequality and eradicating HIV/AIDS**"" the link has send to the students on their whatsapp group along with some information. Where 20 students and 01 faculty members participated actively in this online AIDS awareness quiz. The department actively participates in spreading awareness and believes that the future generation has the ability to sensitize others and prevent spread of HIV.

Report

The Department of Science, Arvindbabu Deshmukh Mahavidyalaya has celebrated National Science Day with great enthusiasm in honor of Nobel laureate great Indian scientist C.V. Raman and a state level informative video making competition was organized.

The program was inaugurated by the chief guest Dr. Atul Charde, Nabira College Katol. He convinced the students about the importance of managing science and technology. He said in his guidance that only then human life will be easy and life will be cultivated. Principal of college Dr. Prakash Pawar presided over the program.

Dr. Rajdeep Utane Head, Department of Chemistry, Sant Gadge Maharaj College, Hingana, Dist- Nagpur was the keynote speaker for the event. He told the students to understand the merits and demerits of scientific progress in simple terms and appealed to the students to work scientifically for nature conservation.

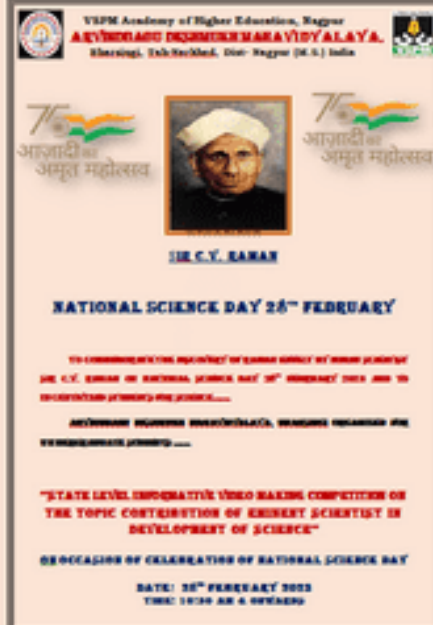

The theme of the competition was Contribution of Eminent Scientists in Development of Science. Students from many colleges in Maharashtra participated enthusiastically in the video making competition. The objective of organizing the program was to inculcate interest in science among the students.

More than 65 students from the state registered for online video making competition and 46 students had sent their informative video to email id. We had shortlisted 10 student's videos based upon their video content.

The shortlisted student's video appeared for final round through projector screen in front of judges during program on dated 28/02/2023.

In the competition Ms. Monali Dhotarkar, a student of Nabira College got the first prize. Miss Vaishnavi Chachane from Arvindbabu Deshmukh Mahavidyalaya Bharsingi secured second place, Miss Avantika Raghtate, Sardar Patel College, Chandrapur. The science day organizing committee and all professors cooperated for the successful organization of the program. All the students were attended the program.

Brief Report	
<p>National Periodic Table Day is being celebrated Since 2016 every year on February 7 as a way to pay tribute to the table and the scientists behind its origin.</p> <p>Department of chemistry, Arvindbabu Deshmukh Mahavidyalaya was celebrated Periodic Table Day every year. The purpose of periodic table day celebration was to made aware students about valuable contribution of great chemists in the field of chemical sciences.</p> <p>Mendeleev is the father of the periodic table and to honor his memory periodic table day was celebrated. Students were informed about all the aspects of periodic table.</p> <p>On occasion of periodic table day, we have organized Poster Completion. Students were actively participated in Poster Presentation Competition activity. Students were made posters of periodic table.</p> <p>Approximately 25 students participated in competition. Principal of college Dr. Prakash Pawar admired to students for such innovative activity.</p>	

The importance of periodic table in chemistry was explained by all faculty members. The staff members of chemistry department Dr. Megha Raghuvanshi, Dr. Avinash Ingole, Dr. Ram Dongre, Mr. Sampat Shingda, worked hard for the success of activity. Activity was very informative and knowledgeable for the students. The overall feedback of students regarding activity on occasion of periodic table day was taken.

Date & Time : 21st March 2023 at 10.00 AM

Topic: Water Management & Awareness Campaign and Survey

Brief Report

Arvinbabu Deshmukh Mahavidyalaya Bharsingi, Department of Chemistry, organized Rally at Indarwada on 21st March 2023. On “World Water Day”. Topic of the activity is ‘Water Management & Awareness campaign and survey’.

On 21st March 2023, Rally of students was conducted and went to Indarwada village. Students make 5 members group for survey. We provide questionnaires to the students for survey. When we all reached at village all public were come out from home. Groups of students were visited to each home and asked questions related to source of water, availability of drinking water, quality of provided water, what they are doing for conservation of water etc. after that we analyzed of all the answers of question given by villagers and discussed the water related problems facing by villagers. All faculty was present in rally.

Brief Report:

Title: World Consumer Day Celebration at Department of Economics, ADM Bharsingi, Nagpur
Date: 2023-04-20

Introduction:

World Consumer Day is celebrated annually on March 15th to raise awareness about consumer rights and needs. It is a day to promote the basic rights of all consumers and demand that these rights are respected and protected. This year, the Department of Economics at ADM Bharsingi, Nagpur organized a special event to commemorate World Consumer Day, featuring Dr. Rita Walke, an Associate Professor in the Department of Marathi at ADM Bharsingi, as the resource person.

Event Details:

The event, held at the ADM Bharsingi campus, was attended by students, faculty members, and local consumers. It aimed to highlight the importance of consumer awareness and education, focusing on the essential role that consumers play in shaping market dynamics and promoting sustainable development.

Dr. Rita Walke's Address:

Dr. Walke delivered an insightful lecture on consumer rights, responsibilities, and the importance of ethical consumption. Drawing on her expertise in Marathi literature and culture, she highlighted the traditional wisdom of sustainable consumption practices in the region. Dr. Walke emphasized

the need for consumers to be aware of their rights and make informed choices, considering not just the price and quality of products, but also their environmental and social impact.

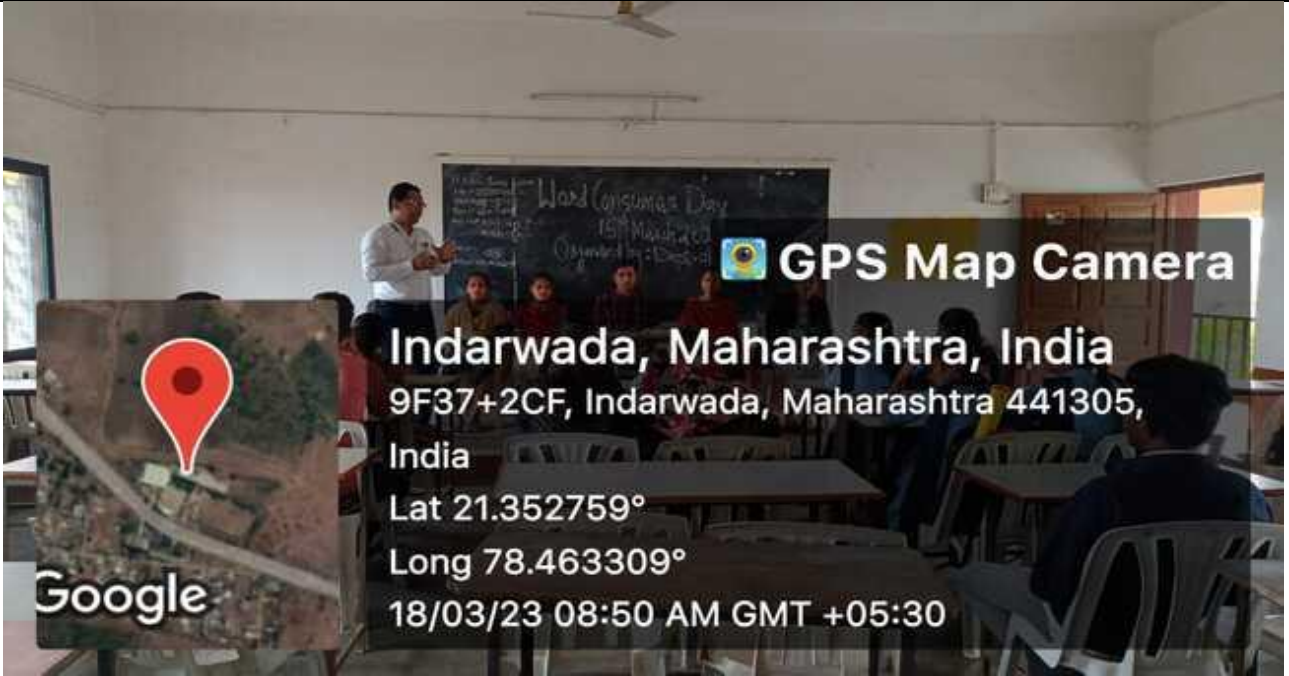

Interactive Sessions:

Following Dr. Walke's address, attendees participated in interactive sessions that covered various aspects of consumer awareness, such as the importance of reading product labels, understanding advertising tactics, and the role of consumer forums in addressing grievances. Participants also discussed the impact of their consumption choices on the environment and local communities.

Conclusion:

The World Consumer Day celebration at the Department of Economics, ADM Bharsingi, Nagpur, was a success, with participants gaining valuable knowledge on consumer rights, responsibilities, and the importance of ethical consumption. The event not only raised awareness about consumer issues but also encouraged attendees to become more responsible and proactive consumers, fostering a more sustainable and inclusive economy.
