Brief Report

Arvindbabu Deshmukh Mahavidyalaya Bharsingi, Department of Chemistry, organized one day Workshop on “Water Analysis” on 21st November 2022. For this workshop invited guest is Dr. Sarang Dhote , Assistant Professor, Shri Shivaji Science College, Nagpur.

In this workshop he explains in detailed about Importance of water, effect of pollution on water and conservation of water. His focus on determination of different parameters like. pH, hardness, conductivity, turbidity, temperature etc. Initially, he give all information of parameters of water and he give detailed information of self-made Water Analysis Kit. Then went to Indarwada village we were test the quality of water which is provided by gram panchayat and also check the water of well at Indarwada village.

Students are very happy with this workshop because they self-analyzed water which they are using daily and they received the information about what and how much parameters are matching with standard data in their drinking water.

Academic session 2022-23

Name of Department: Department of Botany

Name of Activity	Workshop on Pharmacognosy
Date and Time of activity	29 th April 2023 , 11.30 a.m. onwards
Activity organized under committee/cell	Department of Botany
Invited Guest	Mr. Manish R.Rode, Chemical and Production Engineer, Bhopal Glues and Chemical Pvt.Ltd. Bhopal.
Number of students participate	Girls: 29 Boys: 16 Total: 45
Number of faculties participate	04

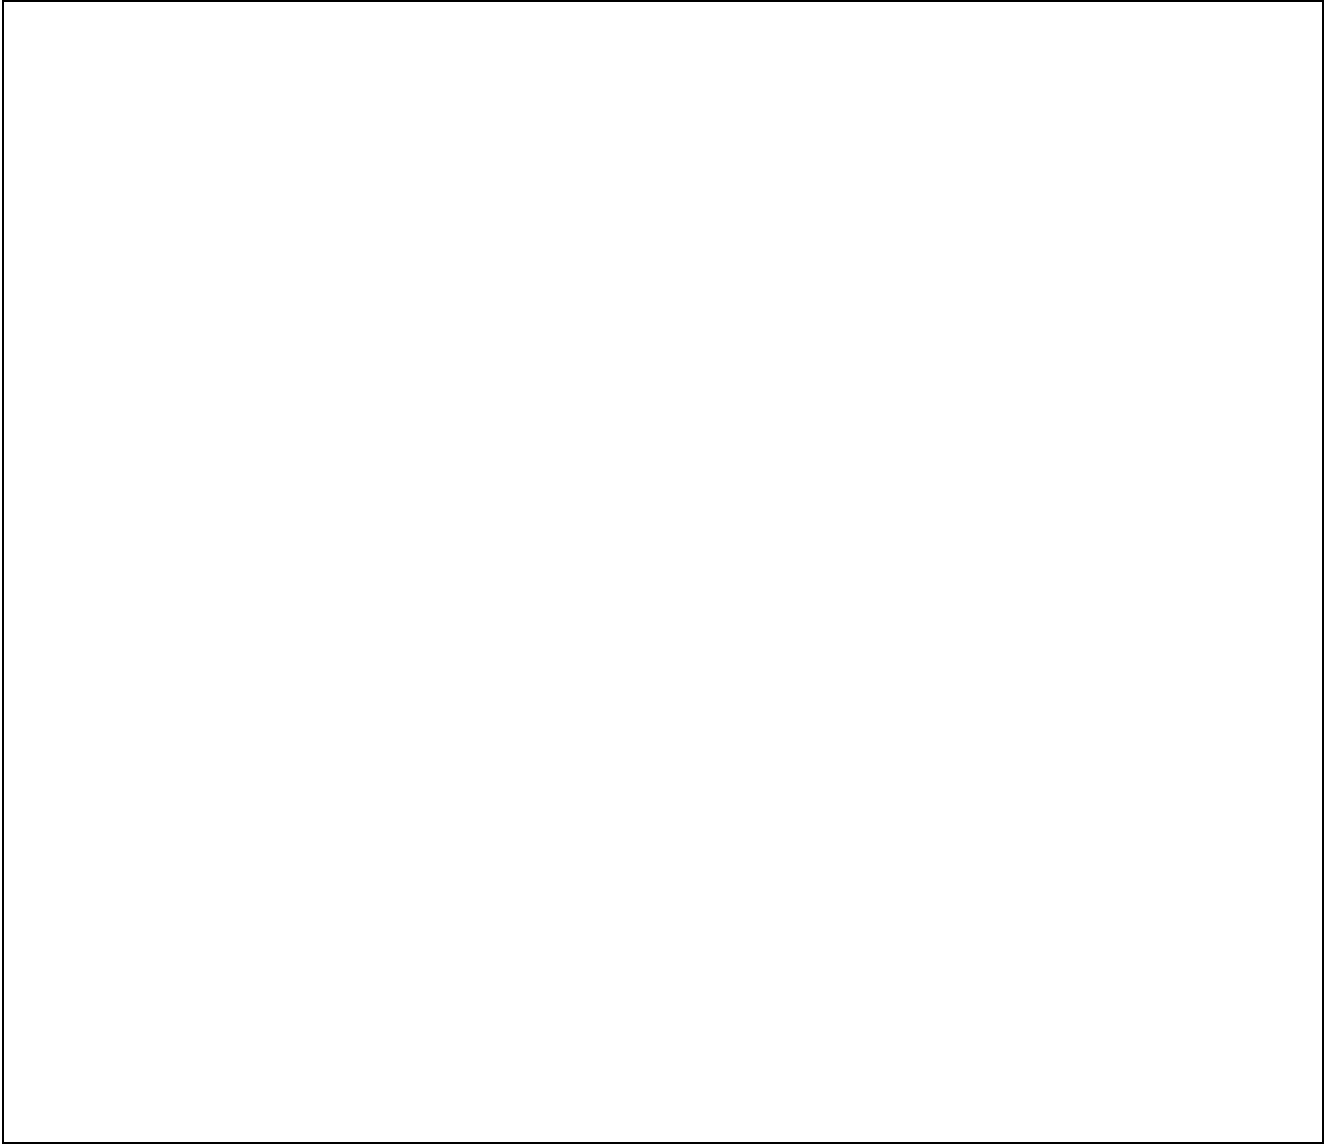

Brief Report

One day workshop on “Pharmacognosy” was organized by the Department of Botany on 29th April 2023 at 11.00 a.m. to 1.00 p.m. The main objective in the organization of the workshop on pharmacognosy was to familiarize students with the knowledge of the topic along with its industrial application.

The workshop was started with the welcome of the invited guests on the dias principal of the college Dr.Prakash Pawar, Dr.Shrikant Thakre IQAC co-ordinator and Mr.Manish R.Rode, Chemical and Production Engineer, Bhopal Glues and Chemical Pvt.Ltd. Bhopal who was the main speaker of the workshop and also the alumni of the college. Dr.Smita Gudadhe, Head of the

Department introduced the speaker whereas Miss.Manasi Joshi compared the sessions. The workshop was conducted with power point presentation followed by the question answer session and interaction with the students. Mr.Manish R.Rode explained in detail procedure of preparing crude extracts and drugs from the plants by giving many examples. He also explained and pointed out each and every precaution to be taken while preparing drugs from the plants. All the sessions were very interesting to the participants.

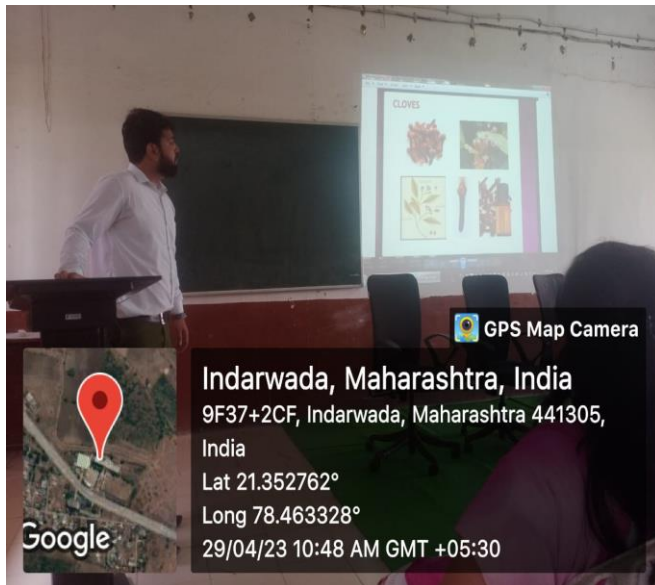

Participated students and staff members interacted with speaker and clarified their doubts Mr. Manish Rode responded to the queries raised by the participants very calmly and politely.Dr. Smita Gudadhe, Head, Department of Botany, Dr.Shailesh Bansod, Mr. Surendra Sinkar, Miss. Manasi Joshi were the members of organizing team. The workshop was concluded with vote of thanks by Mr.Surendra Sinkar.

REPORT OF WORKSHOP

Name of the Event	Workshop on Writing Mathematical Equations in Word and in Other Format and Plot a Graph
Date of the Event	27 th April 2023
Time of the Event	9.00 am
Resource Person	Mr. Pravin P. Sayare, Assistant Professor Institute of Science, Nagpur
Number of Participants	Semester-II: Semester-IV:

Brief Report:

The Department of Mathematics, A.D. Mahavidyalaya, Bharsingi under IQAC Cell organized a Workshop for the students of B. Sc. Semester-II and interested students of Semester-IV on 27th April 2023. The workshop is on 'Writing Mathematical Equations in Word and in Other Format & Plot a Graph' and the main motive of the workshop was to create mathematical skills such as writing equations in mathematical format and makes Mathematics simpler and interesting too. That is why this activity was only for first year students.

The resource person delivered his lecture via conceptualized way on Laptop and told students each categorized function in it. He also gave various examples of how this mathematical equation was written in a better way than a simple keypad. He teaches students various types of equations and in which topic in our syllabus this equation occurs. Simply, he relates this workshop with the syllabus.

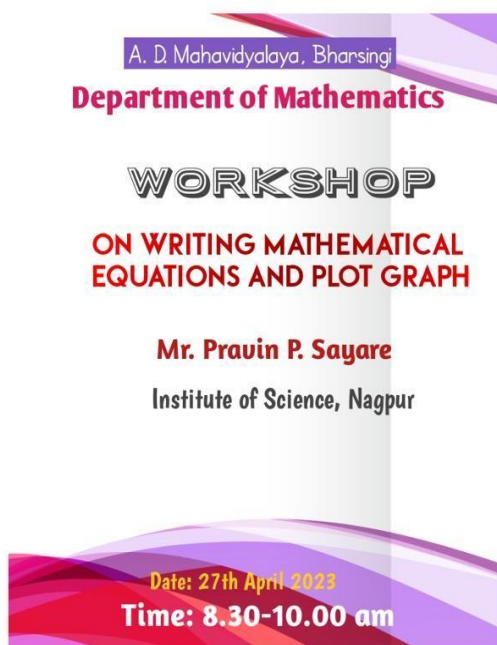

For this program, 28 students were taking part in it, and enjoyed his workshop which we identified by the suggestions given by the students through online feedback. The workshop was accomplished due to the support of our Principal sir and IQAC cell.

The welcome and introduction of the guest along with vote of thanks given by Dr Pitambar Gayakwad, HoD, Mathematics, A.D. Mahavidyalaya, Bharsingi.

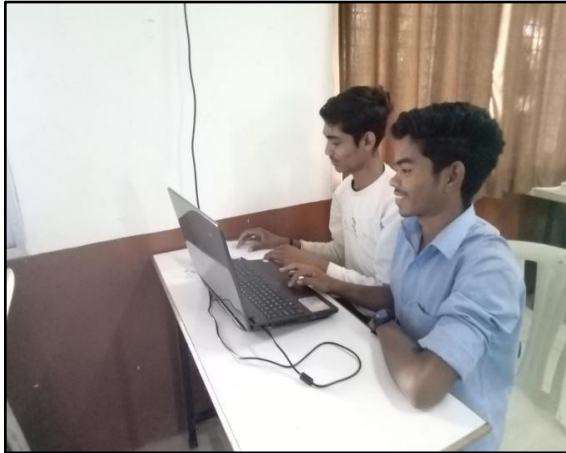

Outcomes:

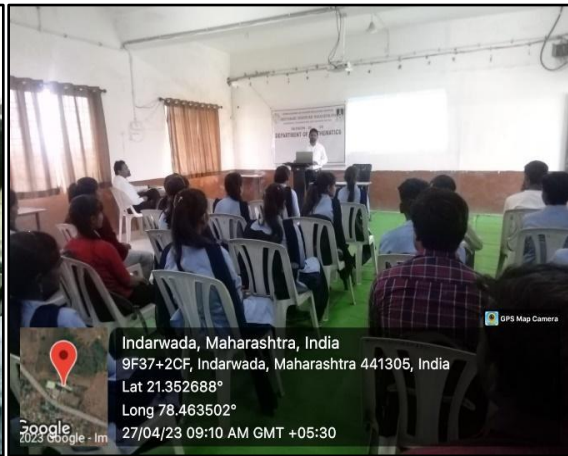

1. Students found the importance of writing mathematical equations as their extra skill in the subject.
2. Students got engaged in this activity which they enjoyed during the workshop and demanded to do such type of other activity.

Report

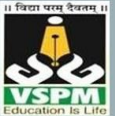

Dept of Physics has organized an online guest lecture on “Introduction to Virtual Lab”. The guest speaker was Prof. Sayali Kanhav, Dept of Physics, Assistant Professor St. Vincent Pallotti College of Engineering & Technology, Nagpur. Mrs. Prof. Sayali Kanhav informed the students about the effective use of virtual lab for practical. She told that the virtual lab can be accessible through website. IITs and many universities is involved in developing such virtual lab model. Which is quite easy to understand the practical without any device or instruments. The program coordinator was Dr. Anjali Gharpure, Assistant Professor & HOD Physics Department and Co-Ordinator was Mr. Bharat Madavi, Assistant Professor, Physics Department.

Brochure

The brochure is a rectangular poster with a light blue background and a black border. It features several logos and text elements. On the left is the logo of Arvindbabu Deshmukh Mahavidyalaya, Nagpur. On the right is the VSPM logo with the motto 'Education Is Life'. The central text is arranged in a structured manner, starting with the organizing institution and department, followed by the workshop title in a white box, the speaker's name, and the event details in a separate box.

Brief Report

Title: Report on National Online Workshop on "A Roadmap to Personal Financial Planning"

Date: 17th Oct., 2022

Organized by: Department of Economics, Arvindbabu Deshmukh Mahavidyalaya, Bharsingi, Nagpur, Maharashtra

Keynote Speaker: Dr. Sanjay Kumar Agarwal, SEBI SMART Trainer, Financial Education Expert

Introduction:

Inauguration:

The Department of Economics at Arvindbabu Deshmukh Mahavidyalaya, Bharsingi, organized a National Online Workshop on "A Roadmap to Personal Financial Planning" on 17th Oct., 2022. The virtual event, hosted on the Zoom platform, was attended by students, professionals, and academicians interested in personal financial management. The primary aim of the workshop was to provide insights and guidance on effective financial planning, management, and investment strategies

The workshop began with the lighting of the ceremonial lamp by Dr. Sanjay Kumar Agarwal, followed by the welcome address by the Principal of Arvindbabu Deshmukh Mahavidyalaya. The Principal highlighted the importance of financial literacy and personal financial planning in today's rapidly changing economic landscape.

Inauguration:

The online workshop commenced with a welcome address by the Principal of Arvindbabu Deshmukh Mahavidyalaya. The Principal highlighted the importance of financial literacy and personal financial planning in today's rapidly changing economic landscape.

Keynote Address:

Dr. Sanjay Kumar Agarwal, a renowned SEBI SMART Trainer and Financial Education Expert, delivered an engaging keynote address. He emphasized the significance of personal financial planning and provided valuable insights on various aspects, including:

Financial goal setting: Dr. Agarwal explained the importance of setting clear, specific, and realistic financial goals. He emphasized the need to prioritize these goals based on their urgency and importance.

Budgeting and expense tracking: Dr. Agarwal stressed the importance of creating a budget and tracking expenses to ensure that individuals are aware of their spending patterns and can make informed decisions about their finances.

Saving and investment strategies: Dr. Agarwal discussed various saving and investment options such as stocks, bonds, mutual funds, and fixed deposits. He highlighted the importance of diversifying investments to minimize risks and maximize returns.

Retirement planning: Dr. Agarwal underscored the need for early and consistent retirement planning to ensure financial security in the later years of life.

Insurance and risk management: Dr. Agarwal elaborated on the importance of having adequate insurance coverage to protect against unforeseen events and maintain financial stability.

Panel Discussion:

A panel discussion featuring financial experts from various sectors followed the keynote address. The panelists engaged in a lively discussion on the challenges and opportunities in personal financial planning, the role of technology in financial management, and the need for financial education in schools and colleges.

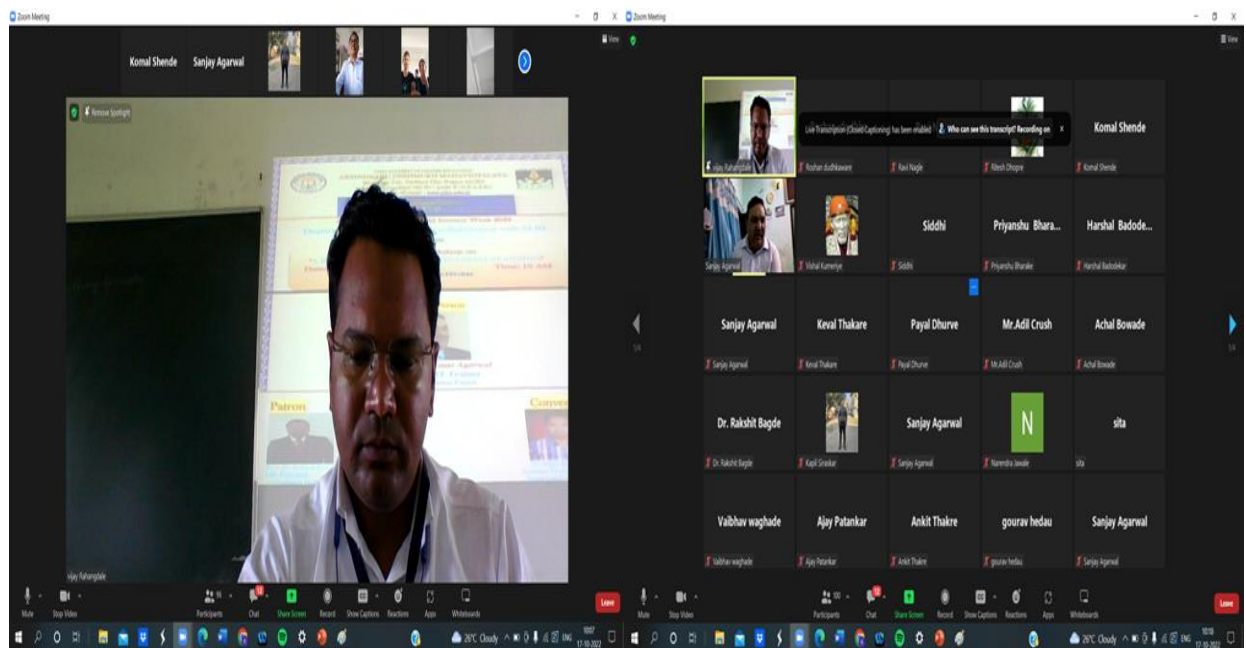

Workshop Sessions:

The workshop featured interactive sessions conducted by financial experts on topics such as debt management, tax planning, and investment strategies. Participants had the opportunity to ask questions, clarify doubts, and gain practical insights into managing their personal finances effectively through the virtual platform.

Conclusion:

The National Online Workshop on "A Roadmap to Personal Financial Planning" was a resounding success, with participants gaining valuable knowledge and practical skills to manage their finances effectively. The event concluded with a vote of thanks by the Head of the Department of Economics, Mr. Vijay P Rahangdale, who expressed gratitude to the keynote speaker, panelists, and attendees for their active participation and contribution to the workshop's success.

Dr. Sanjib Kumar Majhi Assistant Professor Department of Economics Fakir Mohan University, Balasore, Odisha
Objective	The objective of the National Level Budget Literature Series on Union Budget 2023-24 is to provide a comprehensive and in-depth analysis of the Union Budget 2023-24 and its impact on the national level. The series aims to inform and educate the public, policymakers, and various stakeholders about the government's priorities, allocation of funds, policy initiatives, and their potential implications for

	<p>the national economy and different sectors. The series also intends to highlight the strengths and weaknesses of the budget policies and provide recommendations for improvement in the future. Ultimately, the objective is to facilitate informed decision-making and promote transparency and accountability in the budget-making process.</p>
<p>Accomplishment Summery</p>	<p>The National Level Budget Literature Series On Union Budget 2023-24 was organized in a successful manner. Though more than 100 participants registered for the Budget Literature Series, the live presentation was made available on Zoom Platform and You Tube for participants (more than 100 participant live on the Zoom digital platform).</p> <p>The National Level Budget Literature Series On Union Budget 2023-24 was virtually inaugurated by Principal of College Prof.Dr.Prakash Pawar. Session start by Welcoming of Guest and Introduction of Resource Person done by Mr.Vijay Rahangdale Convener of National Literature Series.</p> <p>Mr.Salam Shyamsunder Singh, IES Assistant Director CACP ,Ministry of Agriculture and farmers Welfare New Dellhi-110001 give first lecture on the topic “What’s There in Budget for Farmer”. He briefly elaborate The Union Budget 2023-24 has several provisions aimed at supporting farmers and the agriculture sector. Here are some of the key highlights:</p> <p>Agricultural Credit: The government has proposed to increase the agricultural credit target to Rs. 20 lakh crore for the fiscal year 2023-24, from Rs. 16.5 lakh crore in the previous fiscal year. This increase in credit will enable farmers to access loans for various purposes, including crop cultivation, marketing, and post-harvest activities.</p> <p>Infrastructure Development: The budget has allocated funds for the development of infrastructure in the agriculture sector, including the creation of cold storage facilities, warehousing, and food processing units. This investment in infrastructure will help reduce post-harvest losses, increase farmers' incomes, and create employment opportunities.</p> <p>Soil Health: The government has proposed to launch a soil health card scheme for farmers, which will provide information on soil fertility, nutrient status, and crop-specific fertilizer recommendations. This scheme will enable farmers to make informed decisions about fertilization and improve soil health, leading to higher yields and better crop quality.</p> <p>Micro Irrigation: The budget has proposed to provide support to farmers for the adoption of micro-irrigation systems, which will help conserve water, increase crop productivity, and reduce input costs. The government aims to cover 5 lakh hectares of land under micro-irrigation during the fiscal year 2023-24.</p>

Agri-Infrastructure Fund: The government has proposed to create an Agri-Infrastructure Fund with a corpus of Rs. 1 lakh crore, which will be used to support the development of various infrastructure projects in the agriculture sector.

2. Dr. Sugandh Kumar Choudhary Assistant professor Department of Economics S.S. Khanna Girl's Degree College Prayagraj, Uttar Pradesh deliver online lecture on **“What’s There in Budget for Poor”**. He explain following point The Union Budget 2023-24 has several provisions aimed at supporting the poor and vulnerable sections of society. Here are some of the key highlights:

Health and Nutrition: The government has proposed to allocate funds to support the health and nutrition of the poor. The budget has proposed to launch a new program called the Pradhan Mantri Atma Nirbhar Swasth Bharat Yojana, which will focus on improving health infrastructure, including the creation of new hospitals and health centers in rural areas. The budget also proposes to expand the coverage of the Pradhan Mantri Matru Vandana Yojana, which provides financial assistance to pregnant and lactating women.

Housing: The budget has proposed to increase the allocation for the Pradhan Mantri Awas Yojana- Urban, which provides affordable housing to the urban poor. The government aims to provide housing for all eligible beneficiaries by 2022.

Employment: The government has proposed to launch a new program called the Pradhan Mantri Kaushal Vikas Yojana 3.0, which will focus on providing skill training and employment opportunities to the youth, including those from the disadvantaged sections of society.

Education: The budget has proposed to increase the allocation for the Samagra Shiksha Abhiyan, which provides education to children from pre-school to secondary level. The government also aims to create a National Educational Technology Forum to promote the use of technology in education.

Social Security: The government has proposed to increase the allocation for various social security schemes, including the National Social Assistance Programme, which provides pensions to the elderly, widows, and persons with disabilities.

3. Dr. Sanjib Kumar Majhi ,Assistant Professor, Department of Economics Fakir Mohan University, Balasore, Odisha deliver online lecture on **“What’s there in Budget for Woman”**. He explain following point The Union Budget 2023-24 has several provisions aimed at promoting the welfare and empowerment of women. Here are some of the key highlights:

Health and Nutrition: The government has proposed to allocate funds to support the health and nutrition of women. The budget has proposed to expand the coverage of the Pradhan Mantri Matru Vandana Yojana, which provides financial assistance to pregnant and lactating women. The budget also proposes to launch a new scheme called the Mission Poshan 3.0, which will focus on improving the nutritional status of women and children.

Education and Employment: The government has proposed to increase the allocation for the Beti Bachao Beti Padhao scheme, which aims to promote education and empowerment of girls. The budget also proposes to launch a new scheme called the

Pradhan Mantri Nari Shakti Yojana, which will focus on providing education, training, and employment opportunities to women.

Social Security: The government has proposed to increase the allocation for various social security schemes, including the National Social Assistance Programme, which provides pensions to the elderly, widows, and persons with disabilities. The budget also proposes to launch a new scheme called the Pradhan Mantri Mahila Shakti Kendra, which will focus on empowering women through community participation.

Entrepreneurship: The budget has proposed to create a new scheme called the Nari Udyamita Vikas Abhiyan, which will provide financial assistance and training to women entrepreneurs. The government also proposes to launch a new scheme called the Women Livelihood Fund, which will focus on providing financial assistance to women entrepreneurs in rural areas.

After the sessions, a question answer session was made open for the participants and participants asked lot of questions on personal finance which were satisfactorily answered by the experts.

At the end of the program Mr.Rajendra Ghorpade gave votes of thanks.

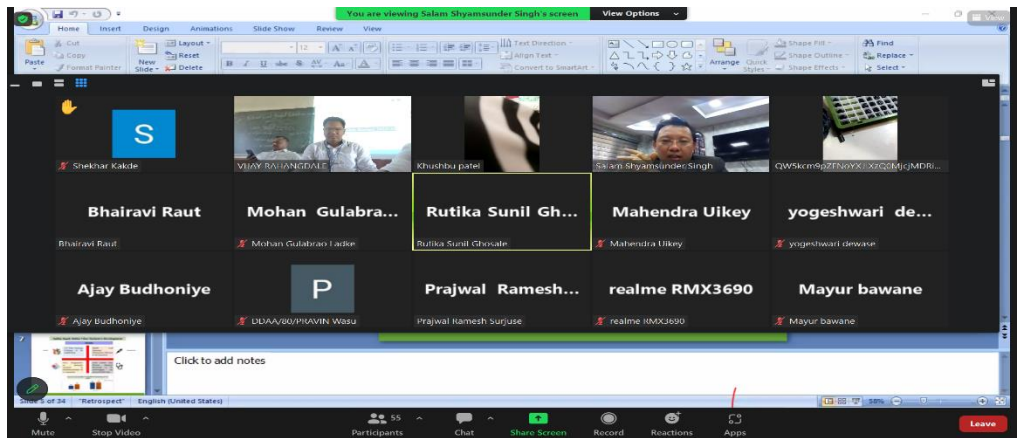

The participants showed keen interest in the webinar deliverables.

Concept Note of National Level Budget Literature Series

On

Union Budget 2023-24

Introduction:

The National Level Budget Literature Series on Union Budget 2023-24 aims to provide a comprehensive analysis of the Union Budget 2023-24 and its impact on the national level. The series intends to inform and educate policymakers, researchers, and the public about the government's priorities, allocation of funds, policy initiatives, and their potential implications for the national economy and various sectors.

Objectives:

- 1.The objectives of the National Level Budget Literature Series are as follows:
- 2.To provide a detailed analysis of the Union Budget 2023-24, including its provisions, policies, and priorities.
- 3.To evaluate the impact of the budget on the national economy and various sectors, including agriculture, education, health, infrastructure, and manufacturing.
- 4.To identify the strengths and weaknesses of the budget policies and provide recommendations for improvement in the future.
- 5.To promote transparency and accountability in the budget-making process and facilitate informed decision-making.
- 6.To disseminate information and knowledge about the budget among policymakers, researchers, and the public and encourage public engagement in the budget-making process.

Scope:

The National Level Budget Literature Series will cover the following aspects of the Union Budget 2023-24: Overview of the budget, including its provisions, policies, and priorities. Analysis of the impact of the budget on the national economy, including growth, inflation, and fiscal deficit. Analysis of the impact of the budget on various sectors, including agriculture, education, health, infrastructure, and manufacturing. Comparison of the budget with the previous year's budget and identification of significant changes or trends. Evaluation of the strengths and weaknesses of the budget policies and recommendations for improvement in the future.

Possible Learning Outcomes

Understanding of the Budget-Making Process: Students can learn about the process of creating a national budget, including the roles and responsibilities of different stakeholders, such as the government, policymakers, and civil society organizations.

Understanding of Public Finance: Students can gain a better understanding of public finance, including concepts such as revenue, expenditure, and fiscal deficit. They can learn about the government's sources of revenue and how it allocates funds to different sectors and initiatives.

Understanding of the National Economy: Students can learn about the impact of the national budget on the economy, including growth, inflation, and employment. They can gain a better understanding of macroeconomic concepts and how they are related to government policies.

Understanding of Different Sectors: Students can learn about the impact of the national budget on different sectors, such as agriculture, education, health, infrastructure, and manufacturing. They can gain a better understanding of the challenges and opportunities facing these sectors and how government policies can support their development.

Critical Thinking and Analysis: Through reading and analyzing the National Level Budget Literature Series, students can develop critical thinking skills and the ability to evaluate policies and their potential impact. They can learn how to use data and statistics to support their analysis and make evidence-based arguments.

Civic Engagement: Through learning about the budget-making process and its impact on the national economy and various sectors, students can develop a sense of civic engagement and learn how to participate in the public policy process. They can learn about the importance of public engagement in holding policymakers accountable and promoting transparency and accountability in the budget-making process.

Report

Department of English, Arvindbabu Deshmukh Mahavidyalay Bharsingi has organised oneday online workshop on "Poetry Analysis" on 20th of March 2023 for all the students of the college in audio visual room. The chief speaker was Mr. Rajesh Bansod, Department of English, Dr. Arun Motghare Mahavidyalay Konda-Kosra, District, Bhandara (Maharashtra). Dr. Pawar, Principal of the college was the chairperson of the workshop. The event. began with invoking the blessing of the Almighty. Dr. Dadarao Upase, Head, Department of English welcomed the guests and made an introductory speech. Dr Pawar, principal, delivered the presidential address. He appreciated the staff and the students for organising such

a wonderful program. He said that the workshop like this must organise frequently in college as it is the need for the students.

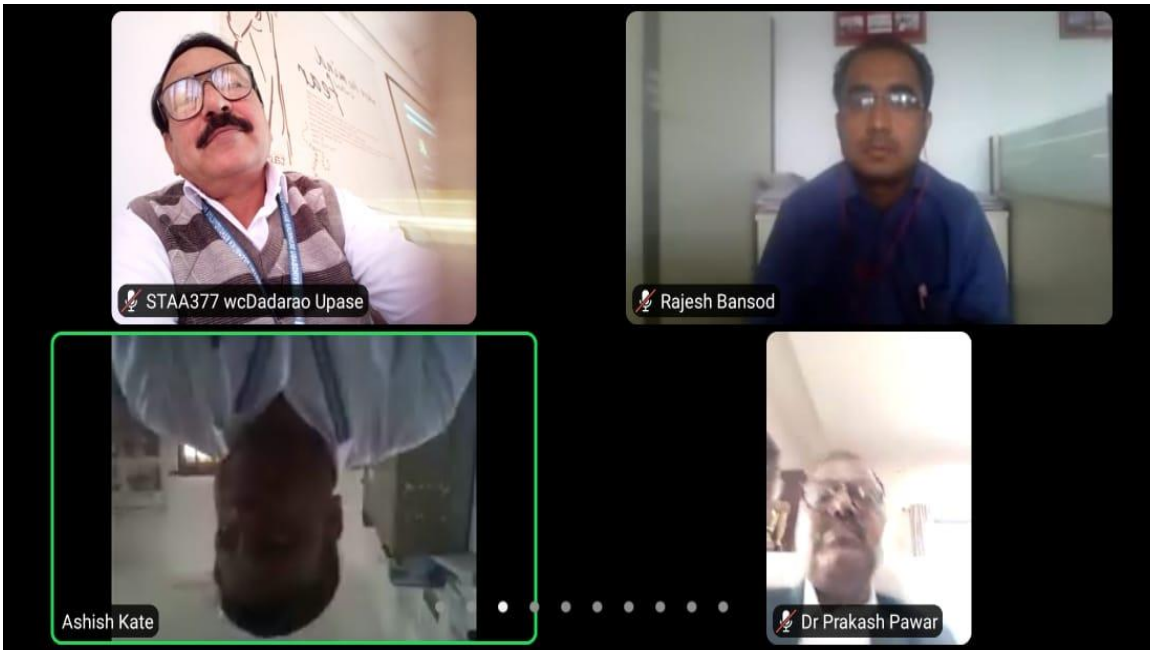

Mr. Rajesh Bansod, the chief guest of the workshop explained that the poetry is an extremely subtle form of writing and reviewing. Poetry requires a deep understanding of the elements that comprise a poem. He further said that the reading out of the poetry analysis samples to gain a better understanding of how to write a poetry analysis of your own.

He discussed with the students various points regarding analysis of the poetry just as subject of the poetry, what is the poem about, tone of the poetry, theme of the poetry, ideas, issues, topic, phrases used in the poem, imagery, devices, technique etc. At the end many participants asked their queries and the speaker has satisfied them with subtle answers. The programme was conducted by Mr. Ashish Kate, department of English, Arvindbabu Deshmukh Mahavidyalaya Bharsingi. Workshop was concluded with the vote of thanks by Bharti Pathe, student of B. Com II.

Brief Report:

Yoga is known to have numerous health benefits. Over time, it has become the preferred mode of exercise for people across the globe. One can fully relax with the breathing exercises. Meditation is an important part of yoga as it helps in improving concentration and balance in an individual and relieves one of the negative thoughts. It helps the person in achieving the desired state of mind with the help of particular exercises. Both music and yoga are said to have healing qualities. They both have the power to soothe your mind like no other. And together, they can give immense relaxation to your mind and body. Yoga is believed to be practiced in silence but with music, its healing effects can be magnified. Music has also proved to improve muscular endurance during performing any exercise. Music also takes away negative feelings and feelings of discomfort during the workout, thereby increasing the focused attention of an individual. A type of yoga known as Shakti Yoga, which is

believed to be centuries old, incorporates various elements of Tantra Yoga in order to stimulate the chakras and to prepare one's senses for higher consciousness. It also uses various chants for the purpose of achieving the desired state of consciousness.

Department of Physical Education and Music jointly Organized workshop on the Topic-‘Yoga & Music: Mind, Body and Soul’ on dated 20/02/2023 at Indoor-Stadium of A.D.M Bharsingi. Dr.Pramod Bais, Director of Music, Jeevan Vikas Mahavidyalaya, Deogram, delivered a lecture and Demonstration about Benefit of yoga and music for students. Dr.Manojkumar Varma, Director of Physical Education given introduction of Guest and give short brief about topic of Workshop. One hundred and twenty students of colleges were participated in this workshop. At last session was vote of thanks given by Dr.Bhavik Maniyar, Assistant Professor in Department of Music.
