Brief Report:

Yoga is known to have numerous health benefits. Over time, it has become the preferred mode of exercise for people across the globe. One can fully relax with the breathing exercises. Meditation is an important part of yoga as it helps in improving concentration and balance in an individual and relieves one of the negative thoughts. It helps the person in achieving the desired state of mind with the help of particular exercises. Both music and yoga are said to have healing qualities. They both have the power to soothe your mind like no other. And together, they can give immense relaxation to your mind and body. Yoga is believed to be practiced in silence but with music, its healing effects can be magnified. Music has also proved to improve muscular endurance during performing any exercise. Music also takes away negative feelings and feelings of discomfort during the workout, thereby increasing the focused attention of an individual. A type of yoga known as Shakti Yoga, which is believed to be centuries old, incorporates various elements of Tantra Yoga in order to stimulate

the chakras and to prepare one's senses for higher consciousness. It also uses various chants for the purpose of achieving the desired state of consciousness.

Department of Physical Education and Music jointly Organized workshop on the Topic-'Yoga & Music: Mind, Body and Soul' on dated 20/02/2023 at Indoor-Stadium of A.D.M Bharsingi. Fitness testing is a great way to monitor and assess students' ability as it relates to aerobic fitness, strength, and flexibility. It can also help students understand how healthy they are and learn to set goals to improve their health-related fitness. Physical fitness is simply the body's ability to complete physical work. This can include cardiovascular fitness, muscular strength, and muscular endurance. A physical fitness test may include a repetition maximum of strength-based exercises, like squats or bench presses, to assess muscular strength. It may also involve performing exercises, like bodyweight squats, until exhaustion, which tests muscular endurance. Tests performed on a stationary bike can evaluate anaerobic fitness. People may also complete walking or step aerobics tests, during which heart rate is assessed to determine cardiovascular fitness. These types of tests can be quite helpful in developing a complete understanding of current health.

Arvindbabu Deshmukh Mahavidyalaya, **Dept of physical education** every year conduct physical test for college students. On 18/02/2023 to 19/02/2023 Dr.Deepak Arajpure Director of Physical Education, Jeevan Vikas College,

Brief Report

A workshop on 'Eco-friendly Ganesha' was held on 29th August 2022, it was organised by the Department of Botany. The purpose of the workshop was to prepare Eco-friendly Ganesha Idol and to aware students about POP hazardous effects on the environment and environment conservation through cultural practices along with the development of pottery skills in students.

In India, Ganesh Chaturthi Festival is celebrated by worshiping Lord Ganesha Idol. In due course of time to make these idols cost-effective and more impressive, POP and synthetic hazardous chemical colours are used to make this idol. POP is hazardous to the environment, especially to the water ecosystem. For this workshop Resource person, Mr. Mayur Waghale, (Sculptor, Narkhed Tehsil, Nagpur), demonstrated the preparation of an Ecofriendly Ganesha Idol by using Shadu clay and organic material and other students followed the demonstration steps of the Sculptor and prepared the Ecofriendly Idol. During this workshop, Dr. Prakash Pawar, Principal and staff members of the Botany department urge students to celebrate the Ganesh festival in an Eco-friendly manner. Lastly, this workshop helps students to develop fine art pottery skills in them.

ECO -FRIENDLY HOLI COLOURS MAKING WORKSHOP

Holi ke Rang ,Phoolon ke Sang

On Dated 3rd MARCH 2023.

Brief Report

A workshop was held on 'Eco-friendly Herbal Colours Making'. It was organised by the Department of Botany on date 3rd March 2023, from 12:30 PM to 2:30 PM. On the occasion of Holi, knowingly or unknowingly damage our surroundings and natural resources by using chemical colours that are available in the market. These chemical colours harm the skin, eyes and different organs of not only human beings but also roadside animals. It can adversely affect the animal's health. There may be a chance of mixing these artificial harmful chemical colours with the soil thus harming local biodiversity.

Aim of the workshop:

To make students aware of such issues and their impact and to promote Eco- friendly Holi.

Get to know how to prepare eco-friendly colours by using plants and their parts.

The chairman of the workshop Dr. Prakash D. Pawar, Principal of the college gave emphasis on the importance of herbal colours and urge students to use plants to make eco-friendly colours. Dr. S. Gudadhe, Head of the Department of Botany, focuses on the side effects of synthetic chemicals available in the market. Prof. Manasi Joshi focused on various plants and their parts used for the preparation of eco-friendly colours through a PowerPoint presentation. Thereafter, Dr. S. Bansod and Mr. S. Sinkar, staff members of Botany demonstrated the preparation of eco-friendly colours. Staffs and undergraduate students were present during the inauguration programme and 27 students of B. Sc. actively participated in this workshop. Lastly, prepared colours were distributed to students and staff ensuring the use of these colours for this Holi.

Expected outcome:

Students will understand the harmful effects of artificial colours used for the Holi festival.

Students will know the procedure of making natural eco-friendly colours.

Students will use eco-friendly colours for the Holi festival.

Report

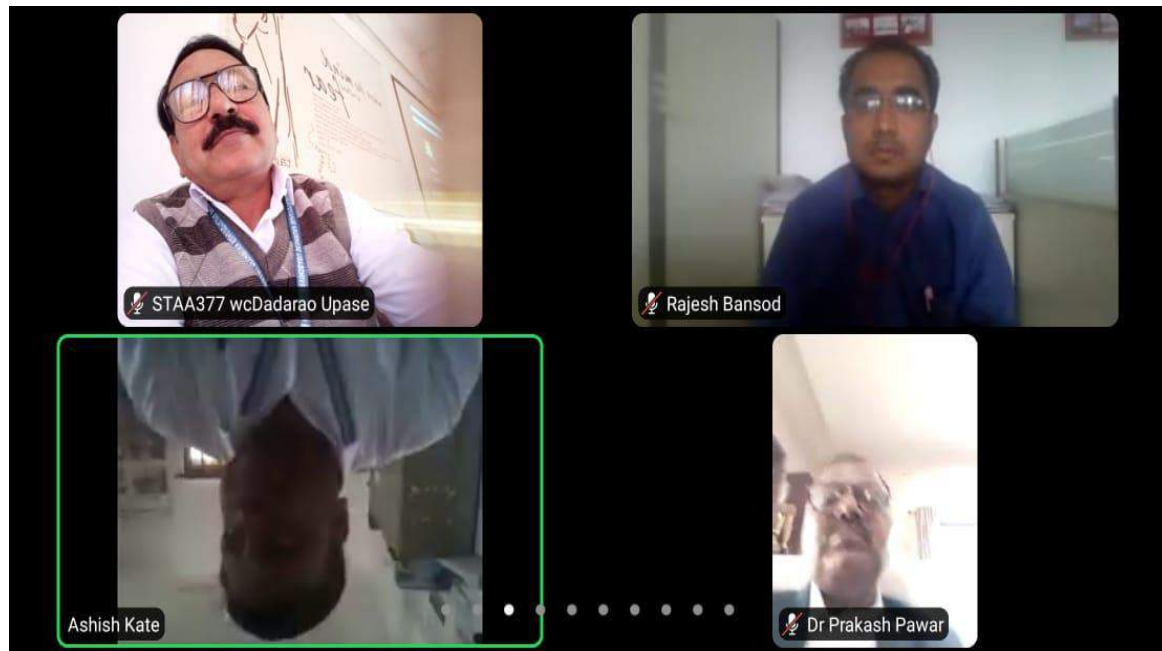

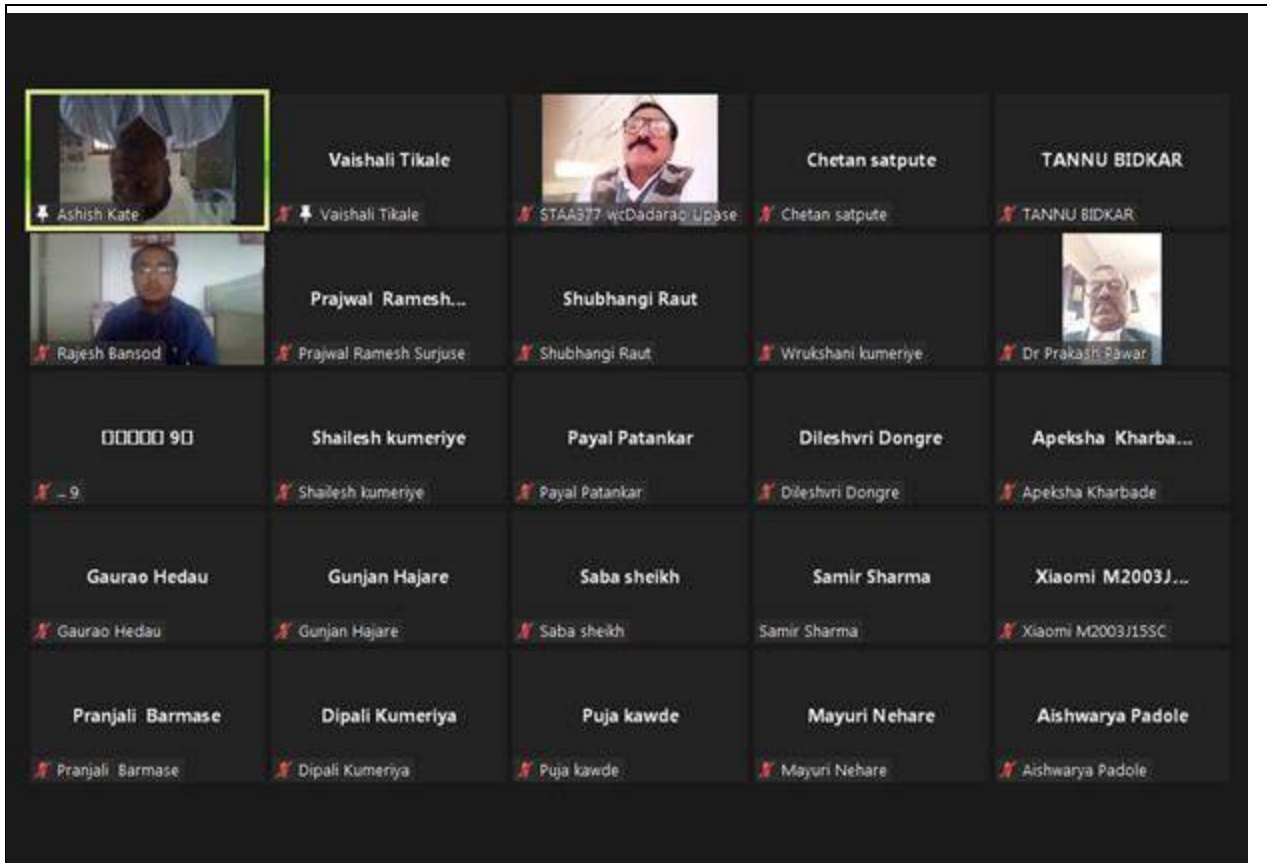

Department of English, Arvindbabu Deshmukh Mahavidyalay Bharsingi has organised oneday online workshop on "Poetry Analysis" on 20th of March 2023 for all the students of the college in audio visual room. The chief speaker was Mr. Rajesh Bansod, Department of English, Dr. Arun Motghare Mahavidyalay Konda-Kosra, District, Bhandara (Maharashtra). Dr. Pawar, Principal of the college was the chairperson of the workshop. The event. began with invoking the blessing of the Almighty. Dr. Dadarao Upase, Head, Department of English welcomed the guests and made an introductory speech. Dr Pawar, principal, delivered the presidential address. He appreciated the staff and the students for organising such a wonderful program. He said that the workshop like this must organise frequently in college as it is the need for the students.

Mr. Rajesh Bansod, the chief guest of the workshop explained that the poetry is an extremely subtle form of writing and reviewing. Poetry requires a deep understanding of the elements that comprise a poem. He further said that the reading out of the poetry analysis samples to gain a better understanding of how to write a poetry analysis of your own.

He discussed with the students various points regarding analysis of the poetry just as subject of the poetry, what is the poem about, tone of the poetry, theme of the poetry, ideas, issues, topic, phrases used in the poem, imagery, devices, technique etc. At the end many participants asked their queries and the speaker has satisfied them with subtle answers. The programme was conducted by Mr. Ashish Kate, department of English, Arvindbabu Deshmukh Mahavidyalaya Bharsingi. Workshop was concluded with the vote of thanks by Bharti Pathe, student of B. Com II.

Report

The Department of Science, Arvinbabu Deshmukh Mahavidyalaya has celebrated National Science Day with great enthusiasm in honor of Nobel laureate great Indian scientist C.V. Raman and a state level informative video making competition was organized.

The program was inaugurated by the chief guest Dr. Atul Charde, Nabira College Katol. He convinced the students about the importance of managing science and technology. He said in his guidance that only then human life will be easy and life will be cultivated. Principal of college Dr. Prakash Pawar presided over the program.

Dr. Rajdeep Utane Head, Department of Chemistry, Sant Gadge Maharaj College, Hingana, Dist- Nagpur was the keynote speaker for the event. He told the students to understand the merits and demerits of scientific progress in simple terms and appealed to the students to work scientifically for nature conservation.

The theme of the competition was Contribution of Eminent Scientists in Development of Science. Students from many colleges in Maharashtra participated enthusiastically in the video making competition. The objective of organizing the program was to inculcate interest in science among the students.

More than 65 students from the state registered for online video making competition and 46 students handed their informative video to email id. We had shortlisted 10 student's videos based upon their video content. The shortlisted student's video appeared for final round through projector screen in front of judges during program dated 28/02/2023.

In the competition Ms. Monali Dhotarkar, a student of Nabira College got the first prize. Miss Vaisakha Chachane from Arvinbabu Deshmukh Mahavidyalaya Bharsingi secured second place, Miss Avantika Raghav from Sardar Patel College, Chandrapur. The science day organizing committee and all professors cooperated for the successful organization of the program. All the students were attended the program.
