Feedback Suggestion and ATR

Students, Alumni, and Teachers gave feedback on the curriculum and facilities in the college. From the feedback on the curriculum, it was found that nearly 80% of stakeholders are satisfied with the curriculum provided by the university which includes questions about the syllabus, course content, practical content, etc. Also, most students are found satisfied with support services like NSS, Sports, and Library which include activities, camps, and sports events conducted through the university.

Suggestions given by the students regarding the facility are mentioned below.

Suggestions given by the students and action taken report

Sr. No.	Suggestion	Action Taken
1.	Provide the drinking water facility at the ground floor	The college has a centralized water filter unit and water cooler for staff and students on the first and second floors. Discussion has been done on it and it was decided to put forward the suggestion in front of management.
2.	Bus Facility to be provided on college timing	As the college is in a rural area many students from villages have come to take education. They face the problem of transport as less Bus timing available to them. The institute doesn't have its own Bus facility. In order to solve the problem

		college gave the letter every year to the head of different managers of Bus Depot in the surrounding area to increase the bus timing during college time.
3.	To start the PG courses M.Sc. in Botany, Chemistry	The collegesubmitted a proposal for M.Sc. Botany, Chemistry, and Physics but the college will not receive permission from the university due to the NAAC validity. So college will apply freshly after the NAAC 3 rd Cycle.
3.	Suggestion for the development college wall compound	The collegewall compound has been destroyed in government road work so the reconstruction of the wall compound is necessary. It was decided to put forward the request in front of management.

Suggestions given by the parents and action taken report

Sr. No.	Suggestion	Action Taken
1.	Suggestion to work on the overall development of students	The suggestion has been discussed in meetings but the college already adopted different schemes such as NSS, cultural, sports, workshops, and conferences through which there is a large scope in

		the overall development of students. So it was decided to do more improvement in organizing events.
2.	Bus Facility to be provided on college timing	As the college is in a rural area many students from villages come to take education. They face the problem of transport as less Bus timing available to them. The institute doesn't have its own Bus facility. In order to solve the problem college gave a letter every year to the heads of different managers of Bus Depot in the surrounding area to increase the bus timing during college time.
3.	Suggestion for compound wall to the college	The college wall compound has been destroyed in government road work so reconstruction of the wall compound is necessary. It was decided to put forward the request in front of management.
4.	To start the PG courses M.Sc. and M.Com and M.A.	The college already running the M.A. in Marathi, discussion has been made on this and it was decided to submit the proposal for new courses M.Sc. and M.Com.

Suggestions given by the alumni and action taken report

Sr. No.	Suggestion	Action Taken
1.	Suggestion to conduct employment program for the students	The suggestion was discussed in the meeting and it was decided to try to conduct a placement drive for the students in collaboration with other colleges.
2.	Suggestion to start more PG courses in Science	
3.	Suggestion for compound wall to the college	The college compound wall has vanished in government road work so currently there is no compound wall. College trying for it as it needs more financial support it will be discussed with management.
4.	Provide facilities for competitive examination like Books and E-resources	The college already conducted the competitive examination lecture series and it was decided to continue it in a new session also. In the college library, sufficient books for competitive examination are available as well as suggestions regarding required books to be taken from students. The library also has an E-learning resources facility for students to use regarding competitive examinations.
5.	To start to earn and learn scheme	A discussion has been made on it and the responsibility to take information and to prepare guidelines regarding it has been given to Dr. A.N. Ingole who is the convener of the career counseling cell.
